about — us

At WOODWIN, we are dedicated to producing the finest UPVC Panels and UPVC Decorative Panels available. Our state-of-the-art manufacturing facilities allow us to maintain exceptional quality control standards and deliver premium products consistently.

WOODWIN has become an industry leader through our unwavering commitment to innovation, sustainability, and customer satisfaction. We utilize the latest technologies and techniques to create UPVC products that combine unparalleled durability, low-maintenance, and aesthetic appeal.

Our team of skilled professionals works tirelessly to ensure every UPVC panel and UPVC Decorative Panels meets our rigorous specifications. With WOODWIN, you can expect beautiful, long-lasting products that elevate any residential or commercial project. Experience the WOODWIN difference through our superior UPVC solutions.

The "Bilto" series for UPVC panels stands out as a stellar product. Its excellence lies not only in its superior quality but also in its ability to convey its value succinctly

BILTO
Series

Texture
Series

Bring the warmth of nature indoors with textured UPVC panels meticulously crafted to capture every nuanced woodgrain and texture

Make a bold statement with high-gloss UPVC panels boasting exquisite wooden patterns, vibrant florals, and contemporary geometric designs
